EDUCATION SPECIALISTS

Principal Training Portfolio

Through our partnership with New Skills Academy there is a range of online training courses which will help boost your skills, confidence and increase your employment opportunities.

Courses are suitable for new employees or members of staff changing roles or requiring a refresher.

All courses are delivered online and can be completed at your own speed.

Each course is assessed in the form of an exam and certifications issued online.

Principal Training Portfolio

Coronavirus Awareness Certificate **2.5 hours** **£35**

It is important to learn about coronavirus, particularly at a time when there is so much confusing and contradictory information available on the internet. You do not need to be a scientist to learn what this virus is all about and how you can protect yourself, your family, colleagues and employees.

Working in the classroom

Safeguarding for Students Certification **3 hours** **£35**

Learning about safeguarding for students is potentially life-saving information that all students should understand. There are certain responsibilities and rights that students have, to ensure their personal safety, and we cover all of them in this concise and informative course.

Level 2 Teaching Assistant Diploma **20 hours** **£35**

The Teaching Assistant diploma course will provide you with all the knowledge you need to succeed as a teaching assistant in the UK. This information packed training course gives you everything you will need to know to secure a position within the teaching industry and push yourself forward in your chosen career.

Becoming a Higher-Level Teaching Assistant **3 hours** **£35**

Learning how to become a Higher-Level Teaching Assistant is the ultimate guide to elevating your teaching skills and opening up exciting job opportunities in the school you're working in or anywhere around the world!

Nursery Assistant Certificate **2.5 hours** **£35**

This course goes into detail about working as a Nursery Assistant to give you all the information you need to enable you to pursue a fantastic career in this growing field.

Working in the classroom

EYFS Diploma 15 hours £35

This Early Years Foundation Stage (EYFS) teaching course gives you everything you need to know about becoming an effective EYFS teacher. At the conclusion of this course, participants have the tools they require to confidently pursue a career in early years teaching.

Managing Classroom Behaviour certificate 2.5 hours £35

Learning how to manage classroom behaviour is essential for everyone involved in the educational process, including parents and school administrators, and is especially important for teachers of all age groups in any type of educational establishment.

Teaching Phonics Level 2 3 hours £35

Phonics is one of the most important building blocks in a child's English education, and it's essential for teachers to be well-versed in it. In this course, you will be introduced to phonics and how you can effectively teach it. There are so many different approaches to phonics, as well as different ways that teachers can tackle challenges that they are faced with. In this course, you have the chance to learn about the details of phonics and the many ways that it is taught.

Epilepsy Awareness 3 hours £35

Epilepsy affects more than half a million British citizens every year and there are more than 50 million people the world over who suffer from it. It's one of the most common neurological conditions and is caused due to the discharge of electrical activity in different areas of the brain. In this epilepsy awareness course, you can find out more about epilepsy and how to respond in the right way.

Prevent Duty Certificate 3 hours £35

Terrorism is a real and looming threat. One of the major tools that terrorist groups use to promote their propaganda and garner support, is the radicalisation of youths and students from a young age. The Prevent Duty recommendations seek to protect young people from the effects of extremism by promoting inclusivity and encouraging positive debate and discussion.

GDPR Certificate **2 hours** **£63**

The GDPR, or General Data Protection Regulation, is an important part of international law. This regulation protects the personal data of EU citizens, outlining the ways that businesses are responsible to store, protect and process it. The goal of this course is to give you a deep understanding of the legislation itself, as well as how it may apply to any business that you work in.

SEND Courses

SEND Diploma (level 2,3,4) **15 hours** **£35**

Our SEND course consists of 22 individual modules that will take you through the entire process of teaching individuals with special needs. The course is designed to provide you with the tools that you will require in order to make a difference to how individuals are taught, and give you a better understanding of their requirements and the challenges they face.

British Sign Language **2.5 hours** **£35**

Sign language is now used all over the world in many different forms. In this online training course, we will primarily focus on the UK's main form of sign language: British Sign Language. The British Sign Language course will go over some of the main elements of this language, as well as its interesting history.

Advanced Cognitive Behavioural Therapy (CBT) Course **15 hours** **£35**

Cognitive Behavioural Therapy (CBT) is a popular therapy paradigm that is used in the treatment of depression, anxiety, eating disorders, relationship problems and other causes of psychological distress. It is widely available on the NHS and there are many professional opportunities for those with qualifications in this field.

Autism Awareness Diploma **10 hours** **£35**

Whether you are a teacher or you have a child of your own with ASD, our autism awareness course is brimming with information, tips and advice to give you the tools to work with these special individuals, helping them enjoy a better quality of life.

ADHD Awareness Diploma **12 hours** **£35**

The ADHD course will give you the information you require to live with or work with a person who suffers from attention deficit hyperactivity disorder. This training course is designed to teach students everything about ADHD from defining and controlling the condition to success stories and improving it.

Dyslexia Awareness Diploma **15 hours** **£35**

This Dyslexia Awareness Diploma course offers students the ability to learn all about the condition, and how it can be handled. This course is full of information that will help you not only learn to deal with dyslexia yourself, but also how to help children or others who you come in contact with. This is an excellent course for teachers or for others who wish to learn more about this condition.

Mental Health and Wellbeing

Reducing Stress Certificate **3 hours** **£35**

Learning relaxation techniques to reduce stress is absolutely essential for everyone. As the pace of modern life increases, so does our stress - and learning to deal with it properly makes you happier and more productive.

First Aid for Mental Health Certificate **2.5 hours** **£35**

First Aid for Mental Health is one of the fastest growing and most necessary fields of today. With mental health becoming a serious and widespread problem, it is necessary that there are people prepared to lend a helping hand and offer immediate help to those suffering.

Mental Health Awareness Certificate **3 hours** **£35**

Simply being aware of the signs, causes and treatment can create a safe environment - whether at home or in the workplace - whereby people feel as though they can talk about their problems and access appropriate interventions. This course will provide you with an introduction to the concept of mental illness, the signs and symptoms of the most common mental illnesses and how mental distress can be successfully managed.
